RE: Support of Private Members' Bill C-241

Mr. Waugh,

On behalf of our Board, I would like to commend you in introducing Bill C-241 as your very first Private Members' Bill since your recent election to the House of Commons. Your introduction of this Bill was of no surprise to our Board. Your work in the development and promotion of this Bill directly reflects the passion and dedication you exhibited for pre-K to 12 education during your tenure as a trustee with Saskatoon Public School Division.

The Board of Education for Light of Christ Catholic Schools wholeheartedly supports your efforts in this area and fully supports your submission of Private Member's Bill C-241 for consideration. Thank you for your continued support for the education of our youth throughout Canada and best of luck in the upcoming Bill C-241 vote.

Sincerely,

Glen Gantefoer  
Board Chairperson
